Attached hereto, for your information,
is a copy of a brief summary of our inspection
of the ██████████. This
document is not a formal report and was
developed to provide Mr. Bissell and ██████████
with the highlights of the survey before their
trips into the area. The inspection team is
now engaged in a collateral inspection of the
NE headquarters components, and a comprehensive
report will be issued about the first of March
or soon thereafter.
